

# Creating Pathways into Work

## Supporting people, strengthening communities and opening doors to rewarding careers

## What we do

EMED Group is an established national healthcare logistics provider. We help communities access vital health and social care services through four specialist divisions, supported by our central group services.

**Patient Care**
Non-emergency patient transport services

**Community Care**
Community and local authority support

**Courier Services**
Pathology, medical courier and in-home diagnostic support

**Safe Care**
Mental health and secure patient transport services

# Ready for your next opportunity?

Join a caring, friendly team where your work can make a real difference to people in your community. Whether you are returning to work, changing career or taking your first step into employment, we want to help you succeed.

**What you can expect:** full training; a range of employee benefits; supplied uniform and covered DBS check costs; varied shift patterns; dedicated onsite mentors and Mental Health First Aiders; and opportunities to learn, develop and progress.

## Support to help you move forward

**CV support:** Present your skills and experience with confidence.

**Interview preparation:** Practical tips to help you feel ready.

**Careers guidance and training:** Explore opportunities, build skills and understand your options.

**Career pathways:** See how you can grow and progress with EMED Group.

## EMED & Employability

We are committed to creating pathways into work for people from all socioeconomic backgrounds, including those who have faced barriers to employment. By growing partnerships with charities, Jobcentres, veteran support organisations and employability providers, we help connect people with practical support and real opportunities.
